

STANDARD OPERATING PROCEDURE

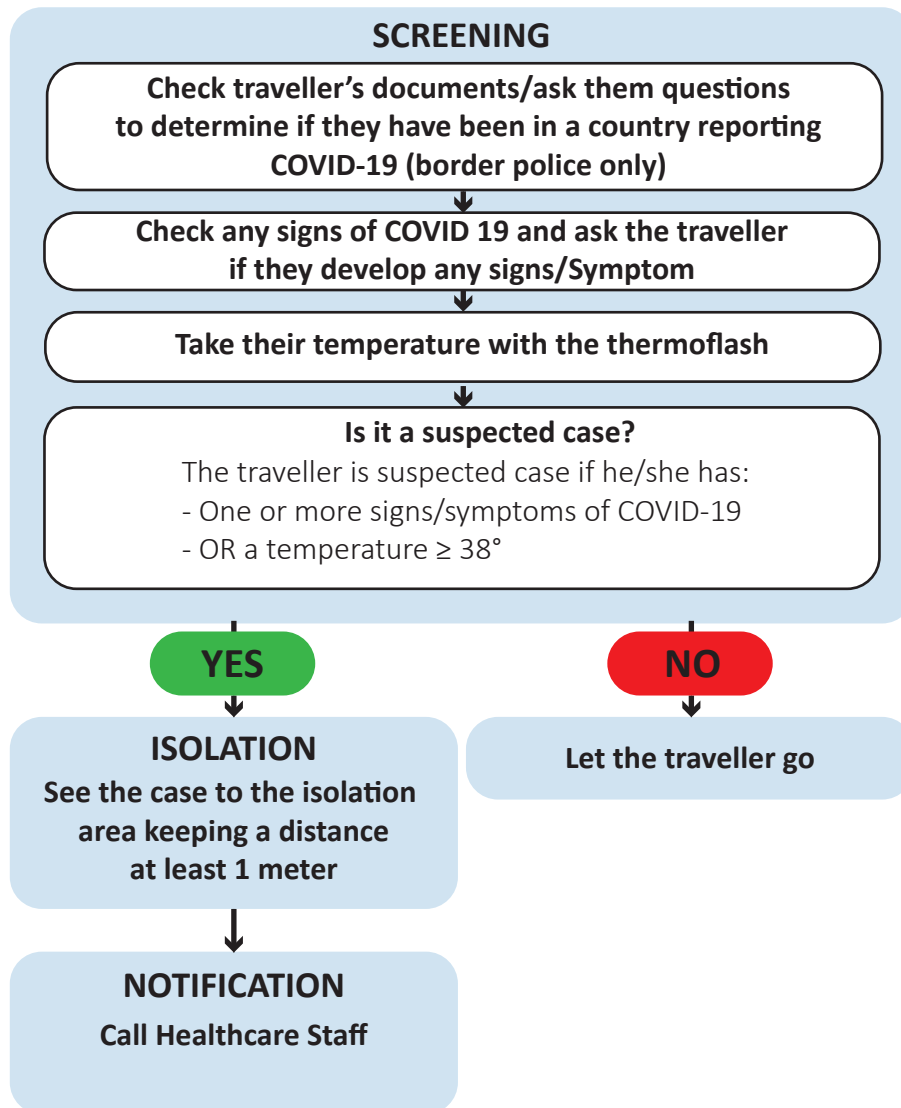

Screening and Notification of Suspected Cases of COVID-19

Implementing Actors :

- Community relay
- Defence and Security Forces Officers

Stakeholders' roles :

- Prevention and risk communication (ask travellers to wash their hands, raise awareness of COVID-19 among travellers).
- Screening and notification (see diagram below).

Signs and symptoms of COVID-19:

Fever, aches/pains, cough, sore throat, nasal congestion, runny nose, diarrhea.

Precautions to be taken:

- Keep a distance of at least 1 meter from the traveller.
- Wear an FFP2 mask
